Our Care

- We work as a team with you and your physicians to meet your unique needs.
- Our goal is to ensure that you are well informed about your care and treatment.
- We will ensure that you are comfortable and well cared for during your treatment.
- We will make every effort to ensure that your infusion is performed in a timely fashion.
- We will listen to you and treat you with genuine concern and kindness.

Your Appointment

Please bring a form of identification such as a driver's license with you as well as your insurance card. You will also need a list of your current medications taken at home and any medications you may need to take during your appointment.

To prepare for your treatment, drink plenty of fluids the day before your appointment unless otherwise directed. You may bring personal items with you such as books, magazines, laptop, or tablets. The Hospital offers free Wi-Fi service.

Your stay at The Infusion Center can be anywhere from 30 minutes to 12 hours depending on your treatment. Medications are prepared specifically for you at the time of your arrival. Some medications take up to an hour to prepare. Our staff will help ensure that you are comfortable during your stay from arrival to departure. Meals will be served to our patients as appropriate to the treatment, schedule, and length of time of your stay.

Location

The Infusion Center is located on the 1st floor at Montefiore Nyack Hospital, 160 North Midland Avenue, Nyack, New York. The entrance to The Infusion Center is on Midland Avenue, directly across from the school football field. Valet parking is available.
