

## NOMINATION FORM

### RICHARD L. KOHLHAUSEN COMMUNITY CHAMPION AWARD

Richard L. Kohlhausen (Dick) was a member of the Montefiore Nyack Hospital Board of Trustees from 2007 to 2023. He served as Chairman from 2012 to 2023, during which time he oversaw the Hospital's affiliation with the Montefiore Health System.

During his tenure, he provided direct input on the Hospital's Transformation Project, which included the construction of a brand-new state-of-the-art Emergency Department, Cardiac Catheterization lab, Cardiopulmonary Rehabilitation Center, Ambulatory Surgery Center, and LGBTQ+ Wellness Center.

His devotion to community service was widespread as he graciously gave his time and energy to numerous charitable efforts. Education was one of his passions as he served as a board member and school board president for the Nyack Public School system, as a board member, and then as President of the Board at Rockland Community College.

His commitment to the betterment of Rockland County included participation in the Tappan Zee Bridge Commission, Nyack Rotary, the first class of Leadership Rockland, and the Norcross Planning and Zoning Board. Dick's belief in personal responsibility and service remained strong throughout his decades of involvement in organizations such as the Rockland Business Association, Rockland Economic Development Corporation, Head Start of Rockland, Rockland Family Shelter, Inc., Junior Achievement of the Hudson Valley, Inc., and many more.

We honor Dick's outstanding contributions and recognize the positive change and improvements he made in the lives of others by bestowing the Richard L. Kohlhausen Community Champion Award to a Montefiore Nyack Team member who, like Dick, is effecting change for the community.

Whether you serve meals to the homeless, volunteer at a not-for-profit organization, organize community clean-ups or connect with our community's needs in another way, we want to hear from you. Nominations can be made by the individual or on another's behalf.

In addition to being heroes to those we serve daily, we know that our team members continue their heroism in their private lives. Help us say thank you in the spirit of the former Chairman of the Board and apply for the Richard L. Kohlhausen Community Champion Award.
