

Our Expert Providers

Our physicians and nurse practitioners are experts in LGBTQ+ health, and some are proud members of the LGBTQ+ community.

Barry S. Zingman, M.D.

Medical Director of the AIDS Center at Montefiore Medical Center, the largest multidisciplinary and

multispecialty adult HIV/AIDS treatment and prevention program in New York State.

Professor of Clinical Medicine at Albert Einstein College of Medicine in the Bronx, NY.

His career is devoted to the care of people living with HIV and those at risk, including LGBTQ+ populations, people of color, and those at risk for sexually transmitted infections.

Hilda Ortiz-Morales, NPc, DHA, AAHIVS, AACRN

Nurse practitioner at the Center for Positive Living/ Infectious Diseases Clinic at

Montefiore Medical Center for more than 20 years, specializing in HIV primary care, Hepatitis C virus (HCV) treatment and gender-affirming care for transgender individuals.

Nurse Manager of the Montefiore AIDS Center and its CPL and Oval Center sites.

Adjunct Professor at City University's Lehman College in the Bronx, NY.

Dr. Ortiz-Morales received her Master of Science in Nursing from the College of New Rochelle and her Doctorate of Health Care Administration from the University of Phoenix.

Raffaele M. Bernardo, D.O., FACP, AAHIVS

Assistant Professor of Medicine at Albert Einstein College of Medicine in the Bronx, NY

Attending physician at both the Center for Positive Living and the Oval Center at Montefiore Medical Center.

Clinical Lead for The Oval Center's HIV program, providing comprehensive HIV care aimed particularly at LGBTQ+ young adults

Dr. Bernardo's primary clinical interests include the diagnosis and treatment of chronic viral hepatitis, sexually transmitted infections and the treatment and prevention of HIV, particularly among the LGBTQ+ community.

Caryn Weiss, ANP-BC, MSN, MPA, AAHIVS

Adult Care Nurse Practitioner, who specializes in LGBTQ+ healthcare, HIV prevention and

care for people living with HIV, at the Montefiore Oval Center and Center for Positive Living sites.

Her clinical experiences included rotations at St. Vincent's Hospital in New York City at the height of the HIV epidemic.

Her clinical interest include working with the LGBTQ+ community to provide the best possible care with no bias or judgment and to encourage open and honest discussions between patient and provider.

Earned her Bachelor of Science in Nursing at City University's Lehman College in Bronx, NY and her Master of Public Administration at New York University.

Completed training as an Adult Nurse Practitioner, receiving a Master of Science degree in Nursing at the College of Mount Saint Vincent in the Bronx.
